

## **JEANTET ADVISES THE FRENCH SHIPYARD OCEA AS PART OF THE UKRAINIAN STATE COMMAND OF 20 PATROL VESSELS**

**Paris, August 11<sup>th</sup>, 2020** – Jeantet advised OCEA Navale, an independent French shipyard for maritime safety, on the order and sale of 20 patrol vessels to the Ukrainian State for €136 million.

This order for 20 patrol vessels of FPB 98 (32 m long) intended for the Ukrainian border and coastguard service, and ratified by the Ukrainian Parliament on 24 July, provides for the construction of 15 patrol vessels in France and 5 others by the Ukrainian shipyard Nibulon, for a first delivery expected in 2021.

Created in 1987, the **OCEA group**, based in Vendée (French West Coast), with more than 400 employees spread over 4 production sites, has developed its activity as a civil and military shipbuilder in its own, as well as a subcontractor in particular for the Chantiers de l'Atlantique.

Jeantet's team advising OCEA included **Bertrand Barrier**, Partner and Head of Kiev Office and **Oleksiy Soloviov**, associate.

### **About Jeantet**

Committed to ethics and human values, Jeantet is one of the leading independent French business law firms that delivers customized services with added value. Our lawyers are fully aware of the economic, technological, sectoral, and legal changes our clients face and are able to anticipate, take action and propose solutions that are reliable, pragmatic and tailored to their clients' challenges.
